

*“Oceans of Love” Empowerment
By Shirley Irene Ponto*

*“I invoke the light of the Christ within, I AM a clear and perfect channel,
God’s Golden Healing Love and Light is my guide.” X3*

*I call in our Archangels of Michael, Raphael, Gabrielle, and Uriel. I call
in all of our beloved Angels and Guides of all that are gathered here
tonight. I call in all our Sacred Loving Ancestors. Before we enter our
sacred circle I ask for Divine Protection for all.*

*Appearing before us is the energy of the “Eye of God”, it is a shimmering,
iridescent white dimension . . . There is 3 steps up to this dimension and
as we walk through it there is a feeling of total peace, love and light. Some
of your guides will be there to walk with you . . . Who are they?*

*As we gather in this sacred circle I would like to start with some
affirmations and after you repeat them within yourself I will affirm that it
is so.*

*“I AM a Child of God” repeat to yourself
YOU ARE A CHILD OF GOD*

*“I AM a Child of the Universe” repeat to yourself
YOU ARE A CHILD OF THE UNIVERSE*

*“I AM a temple of the Holy Spirit” Repeat
YOU ARE A TEMPLE OF THE HOLY SPIRIT*

*“Divine Protection surrounds me” Repeat
DIVINE PROTECTION SURROUNDS US*

*“Divine Love abides within me” Repeat
DIVINE LOVE ABIDES WITHIN US*

*“Divine Order surrounds me” Repeat
DIVINE ORDER SURROUNDS US.*

“Divine Unconditional Love and Compassion envelops me” Repeat

DIVINE UNCONDITIONAL LOVE AND COMPASSION ENVELOPS US.

***“Divine Wisdom enters my Third Eye” Repeat
DIVINE WISDOM ENTERS OUR THIRD EYE***

***“Divine Peace absorbs all that no longer belongs to me” Repeat
DIVINE PEACE ABSORBS ALL THAT NO LONGER BELONGS TO US.***

***“Divine Illumination radiates through me, around me and within me”
Repeat
DIVINE ILLUMINATION RADIATES THROUGH US, AROUND US
AND WITHIN EVERY CELL OF OUR BODIES.***

We are now radiating and become as ONE.

Appearing before us is another dimension . . . As we step through we find that It is the “Ocean of Love” and as we walk towards it we feel the sand on our feet . . . This magnificent Ocean of Love radiates little diamond sparkles everywhere, on every wave and above it is beautiful Golden Energy coming from the Source, our Creator . . . You are now entering the Oceanic Love from the Cosmos.

As we step into the ocean we become lighter as we further step into it. We feel refreshed. We dive in and release all that no longer is part of us. Right in front of you is a Dolphin beckoning you and all of us have our own Dolphin in the color of the Chakra that we need to cleanse, clear and release . . .

We swim with this Dolphin, connecting with the love that this precious one from the Angelic Rhealm has for us. They let us hold on and enjoy this wonderful diving in and out of the water. By now you may be feeling physical changes, physical releases, mental releases, spiritual releasing what no longer serves you . . .

I have now become a mermaid and now I am spinning freely, joyously with my Dolphin. I look around and see other mermaids and mermen.

Such freedom . . . I have named all my Dolphins and the Orcas . . . The Orcas comes and adds strength to our sacred space . . . We are now all floating on our backs feeling the beautiful Golden Rays from the Source/Creator being absorbed into every cell of our bodies. The Solar Ray also enters our space.

When you feel total free of all unnecessary energy patterns in the total peace of love and light, your Dolphin will take you back to the shore. I will wait for you there . . . Let me know when you are reaching the shore . . . By saying I am here

Radiating before us once again is the portal of the “Eye of God” and as we gather into our sacred circle we become ONE. We feel the Solar Christ Energies within our spirit and soul.

Unconditional Love and Compassion is now radiating peace. We extend this beautiful unconditional Love to all that surrounds us, to all in our own home towns, beyond to our State or Province, and to all of Turtle Island . . . We share this unconditional Love and Light to all of the Oceans, to all of the countries connecting us within the full spectrum of Mother Earth and to all of the two leggeds and all of the four leggeds, the winged ones.

Perhaps one of your totem animal will come to you at this time. We surround precious Mother Earth with this abiding love and become caretakers of Mother Gaia. We fill her with our Love and Light. We reach for the Stars and the Universe and continues to become lighter and brighter as we extend to all of the Universes . . . To all that is . . . Transforming within ourselves and without to all of the Divine . . .

Radiating we share this with each other and with all those who live in our hearts. May your Love and Light continue to glow for all that is . . . for you are all Earth Angels to me. To witness your shining beauty is such a gift that I am now flowing free. . .

Free to be all that I came to be . . . Free to do what I have come to do and joyously know that it is our combined efforts that helps all of us to “Dance our Dream Awake” and all that heaven will allow. Free from all limitations, free from all judgments, free to love yourself unconditionally, free to be your wonderful self, free from all anxieties, and free to walk your path in wonder, joy and allow your beautiful energy field to vibrate and increase.

We can now release any vows, oaths, promises, commitments that we made in the past/present/future so that we may now accomplish what we are to do for the Universe and for the best and highest good of all. We are now free to dance and be joyously welcoming the path we have chosen for this precious lifetime.

To ground myself I put the palms of my hands on Mother Earth sharing this unconditional love, compassion and joy with her. Roots grow from the center of my feet deep into her as I share this beautiful energy. I see light, light burning bright within, through and around all of us and as we allow it to enter Mother Earth we are vibrating at such a high level.

I have deep thanksgiving for each and every one of you for joining us with the “Oceans of Love” for YOU ARE LOVE. The Universe adores and loves you and so do I. We now live in the Oceanic essence of Love, and rest there whenever we wish to.

So be it . . . So be it on earth as it is in heaven . . . You have brought Heaven to Earth dear hearts basking in the “Oceans of Love.”

Wiggle your toes, wiggle you fingers, slowly open your eyes . . .

*Let me know when you are all back . . . Ahhh how radiant
You all are . . .*
